- **CCM LII'Penguin Lab**
 - [Nico Pengu Grab](#)
 - [Bubzia Pengu Drop](#)
 - confident yoloing it (current strat)
- **70 Star sub 1:15 Ideas**
 - **VC Reds faster Omegacycle Ideas** (sadly bubzia never posted them, so only saved in his head)
 - fast **DDD Manta yolo** with **Sub Backup**
 - New consistent old route THI Koopa (from 2026)

Sub P-List (16 Star sub 19 Ideas)

- potentially [Boss-Owlless](#) (*too slow without Logless+Talon out for now*)

- Pillarless (***still no consistent strat yet***)
- [Johannes LLL Big Bully TJ](#)
- [potential new 2nd Door MIPS Clip](#) (currently not willing to risk MIPS consistency to look into it)
- HMC nassy wallkick oob
- fast basement door to door
